Membership Application Form: 2011-2012

AISHE membership is open to all individuals interested in the advancement of higher education in the island of Ireland. Benefits of membership include reduced rate participation in **AISHE** sponsored conferences and events, full access to **AISHE** online services—and, of course, the opportunity to contribute to the future development and operation of the Society.

There is no provision for corporate or institutional membership of **AISHE**.

AISHE subscriptions operate on an annual, academic year, basis, from October to the following September. The standard subscription for the 2011-2012 year is €50; however, members resident in the UK may alternatively avail of a sterling rate of £43. Subscriptions are payable in advance by cheque or bank draft only. We regret that we are unable to accept payment by credit card.

If you have access to the Internet, the most convenient way of applying for **AISHE** membership is to use the online membership service at:
